Welcome to the Kings Area Road Relics (KARR) Club!

We are pleased that you have a desire to join our group of fun loving and community conscious car enthusiasts. Our club is open to all 1979 and older American made and/or American powered cars and trucks, as well as any special interest or limited production vehicles.

As a member, in addition to attending our monthly meetings, cruise events and quarterly fun runs, we ask that you visit our website by typing "www.karrclub.com" into your web browser. The website is another great source of information about the club and car activities throughout Central California.

Please keep in mind that most membership rewards come from active club participation and associating with other members of our club. We look forward to seeing you at our next meeting and/or KARR event.

Once again, welcome to the Kings Area Road Relics (KARR) Club. Let the good times roll!
